

Ceremony Deck

If you want a waterfront ceremony, our ceremony deck is the perfect spot for you. The ceremony deck is stretched out over our private lake so you will literally be standing over the water. In the background are beautiful blooming trees and you are surrounded by 32 private acres of nature. The deck accommodates 240 seated guests as well as your wedding party standing next to you. The sliding doors at the top of the steps make the perfect magical reveal just as you start your walk down the aisle.

Reception Pavilion

The reception pavilion is truly one of a kind. It was custom designed and built by a North Carolina based timber frame company that used NC eastern white pines to build our breathtaking pavilion. It is truly a must see! The pavilion sits on a hill overlooking the ceremony deck as makes a perfect backup option incase of bad weather. As you walk in, centered under the pavilion and just over the dance floor, is a huge 60 inch chandelier hanging from the 25 foot ceilings.

🌀 Wedding Party Preparation areas 🌀

Bridal Suite

Provided in the rental is our bridal suite that enables you to do all hair, makeup and dress preparations on site. It includes 6 individual mirrors with bar height stools and ample lighting. The additional 9 ft mirror makes it easy to see the entire dress and makes for a great photo opportunity. The bridal suite is conveniently located along the back wall of the pavilion, making it easy to slip in there for a makeup touch up or dress change throughout the reception.

Groom's Cabin

The oldest building on the property, an original tobacco barn, has been converted into an amazing space for the wedding party to prepare for the day. The dartboard, flatscreen and poker/card table are sure to keep the wedding party busy while waiting on the event to begin. It is very spacious and includes plenty of seating and space to hang clothes as well as a large mirror for everyone's final look before heading down to the ceremony deck. Inside and outside of the cabin provide the perfect backdrop for those fun getting ready pictures!

All Inclusive packages already save you a lot of \$\$, but there are some ways to save money you want a fantastic wedding on a budget.

Lower your guest count

Catering is a large portion of your wedding costs. Feeding 100 guests vs 150 makes a big impact. This could mean a difference of hundreds or even thousands of dollars.

Book a non peak SEASON

We have certain dates that just don't book as well. These are dates where you can get an **additional \$500 off**. This is on top of any other discount. Our Non peak weekends are

We have certain dates that just don't book as well. Booking any of these dates can save you an additional \$500!

Our non peak days are:

March - Friday & Sunday

April - Friday & Sunday

July - Friday, Saturday & Sunday

August - Friday & Sunday

November - any weekend date after November 15th

Pay in Cash

We offer a 5% discount off your total price if you make all payments in cash. This can save you hundreds!

Book a non peak day

Book ANY day besides Saturday. Our most sought after day is Saturday. By booking a Friday or Sunday you can save \$1,000. By booking a Monday, Tuesday or Wednesday you can save \$2,500!

Combine discounts to save more!

ALL of these discounts can be combined to make your savings really add up. For example, if you take the Saturday rate for the bronze package (\$8500) and instead pick a Friday or Sunday (-\$1000) from our non peak days (-\$500) and make all payments in cash (5% off total), you could save \$1,850 and still have a beautiful wedding!

Contract / Guidelines

Reservations / Fees

-To Reserve a date, you must pay a non-refundable deposit. To reserve a Friday, Saturday, or Sunday the deposit is \$1,000. To reserve a Monday - Wednesday the deposit is \$500.

50% of the total fee is due 6 months prior to the event, the full balance is due 30 days prior to the event.

An additional (not included in the package price) \$500 security deposit must be paid 30 days prior to your wedding date. The security deposit is FULLY refunded unless there are any damages, smoking or vaping indoors or if any liquor (outside of the signature drinks served by our bartender) is brought onto the premises.

Payments accepted are: Cash | Check | Money Order | Venmo | Cashapp

Catering & Food

We recommend that all food served is provided by a licensed inspected caterer with a Grade A Sanitation rating. To ensure excellent service we HIGHLY recommend our in house caterer www.whiteoakcatering.com

You are able to choose ANY caterer, and we do allow self/family catered events. There is no prep space provided, all food must be brought in already prepared.

Wedding Rehearsal

Rehearsals are scheduled during your final planning meeting and are on a first come first served basis. All weekend weddings share Thursday for rehearsal day and are allotted one hour for rehearsal. The rehearsal dinner is to be held off site because there is likely another rehearsal scheduled right after yours. No food or catering is allowed at rehearsal.

Alcoholic Beverages

-You are able to provide your own alcoholic beverages, but per NC law, you are required to have a bartender serve the drinks for the event. We provide the bartender (insured) for \$200 per event. Guest count, and length of bar are not a factor, the fee is \$200. You are not able to provide any other bartender, per our insurance policy it has to be done in house. If there is any alcohol on the property, the bartender is required.

-Beer, Wine, Seltzer, Champagne, and ANY drink bought outside the ABC store is fine to provide and bring. Liquor is not allowed on the property. The only exception is if there is a "Premixed" drink. This means you can mix it off site, and bring the mixed drink, but no straight liquor can be on the property at all. This includes the bride and groom areas, this includes if guests bring it. If any liquor bottles are found, it is immediately disposed of, and the \$500 security deposit will be forfeited. Premixed drinks containing liquor are acceptable, just not straight liquor. If you have questions about this policy we are happy to answer any you have.

DJ / Music

NC has a state wide sound ordinance of 11:00 PM. This means we must be quiet by 11:00 PM. For Friday - Sunday weddings, the last dance must start at 10:45 PM, followed by any formal exit, so ensure we are quiet by 11:00 PM

For Monday - Wednesday weddings the last dance must start at 9:45 PM, and the exit is by 10:00 PM

You can hire whatever entertainment you would like, we highly recommend using our DJ www.amweddingdj.com

🌀 Contract / Guidelines 🌀

Flowers / Decor

Decorations that are permanent at our facility may not be removed without permission. We do reserve the right to change decorations, landscaping, paint colors, etc as deemed necessary. We will always work to keep the venue looking as beautiful as possible

Next day pick up of your decor MAY be arranged if there is not another event scheduled, ideally, all decor is removed the night of the event. We are not responsible for any items left overnight after the event.

Fake flowers may be used but NOT fake petals. Anything that is to be scattered on the ground (like a flower girl / etc) needs to be real flowers.

Our staff is happy to help with decor, but ideally you should designate someone that knows your vision if you bring a large amount of decor. A few signs, centerpieces, and other items are easy...but if you show up with a Uhaul...you will want to provide someone to help set all that up

Linens

Linens are included in the All Inclusive packages, but not included in the venue only. If you want to rent linens we do rent linens for \$18/linen and any color is available. You do not have to rent linens through us.

Event Insurance

We do not require that you have any event insurance. The Meadows is insured, your bartender is insured, there is no additional insurance that we require. Our insurance will not cover your liability only ours, but we do not require any insurance policy to be purchased

Photography

On the wedding day, you have use of the entire event space. You may also schedule photoshoots such as engagement sessions, or bridal sessions “as available” prior to your event date. We do ask for the right to use any pictures from your event for marketing purposes unless you let us know otherwise in writing prior to the event. Meaning, we might post your pictures unless you ask us not to.

Pond

No one is permitted to swim in the pond, the wedding party, family, or guests are permitted to fish in the pond Prior to the ceremony. Fishing must be “catch and release”. When walking around the property, especially near the pond use caution and you assume responsibility for risks associated with this.

Set up & Tear Down

All set up and tear down must be done within the rental period. Our staff handles ALL set up / tear down. The only thing you are responsible for is your personal items. If you have any outside caterer, the caterer must clean up anything associated with food service. With our all inclusive packages, there is almost no clean up required at all other than packing your clothes / gifts / etc.

Smoking & Vaping

Smoking AND VAPING is 100% prohibited in the indoor spaces. You cannot smoke OR VAPE inside the bridal cottage, game room, or groom’s area. It leaves smells, yes...even the vapes smell. If anyone smokes OR VAPES in an indoor area, this is one of the few reasons you will lose your security deposit. The reason is, we have to do excessive cleaning to get the smells out. We do provide ample space for smoking and vaping, just not indoors.

Contract / Guidelines

Pets / Animals

Pets are allowed if you have a furry friend to be the ring bearer, or just for pictures. However, pets cannot be in the “indoor” areas whatsoever, including the bathrooms, bridal suite, and groom’s cabin. The pet must remain on leash at all times for the safety of the animal.

Guests

You are responsible for the behavior & any damages caused by your guests. We have a large property with gravel walkways, and several buildings that are NOT part of the event space. Guests should stay in the event space only. All guests are here are their own risk, and The Meadows is not responsible for any injuries, property damages, or other damage caused by your guests. If a guest is injured during your event, you assume responsibility for any costs including medical and legal feed that are associated with that injury. All children must be supervised by an adult at all times. We do reserve the right to ask any guest to leave at any time.

Cancellations

All Payments made are 100% non refundable for any reason. Your payments ARE transferrable for a one time date change. If your event is rescheduled, you will have to pay the current rate if there is a rate change. Even if you cancelled, you still owe the full package balance.

If the event is rescheduled, you may only reschedule ONE TIME without incurring additional fees.

Initials / Signatures

I certify that I have read the entire contract, and agree to all terms specified in all three pages of

I fully understand the alcohol policy, and agree to abide by the alcohol policy as stated

I fully understand the smoking policy and agree to abide by the smoking policy as stated

I fully understand the cancellation policy and agree to abide by that policy as stated.

I fully understand all fees & due dates, including taxes, additional charges that may incur based on changes I make to the package, additional guests/etc , and the refundable security deposit.
